Institute on Governance

# Webinar Series

## Schedule

### Take advantage of our streams and choose the right webinar for you

-  **Policy Stream** A 3-part series for policy analysts looking to build their policy-making skills and analysis.
-  **Leadership Stream** Designed for leaders: explore topics like change, communication, digital skills, resilience and more.
-  **Government Essentials Stream** Building the skills you need to thrive in the Westminster system of government.
-  **Innovation Stream** Unpack innovative topics and techniques with a series that focuses on the changing 2020 workplace.

### Consider our Virtual Leadership Programs Launching Fall 2020

#### Virtual Executive Leadership Program - Fall 2020 - <http://bit.ly/IOG-VELP>

This unique 6-month program is for committed public sector leaders across all departments and levels of government who are being called upon to implement the “new normal” of the post-COVID-19 world.

#### Leadership Development Program in Science and Innovation - September 22nd - <http://bit.ly/IOG-LDPSI>

An intensive and all-encompassing 3-month program for those who work in and across science, innovation and policy and who aspire to lead.

#### ELP in Municipal Intergovernmental Affairs - September 30th - <http://bit.ly/IOG-Municipal>

A 1-month program for senior municipal public servants looking to understand and develop effective strategies in dealing with the federal and provincial governments.

#### Digital Executive Leadership Program - October 26th - <http://bit.ly/IOG-ELPdigi>

A week-long program for executives at all levels of government that explores key concepts such as design thinking, agile methods, digital technology, and data, and how they can be applied to the business of government.

Register and learn more by visiting our website at [bit.ly/IOG-Webinars](http://bit.ly/IOG-Webinars)

#### Coaching Services

One-to-one virtual coaching sessions with experienced, highly skilled coaches.

With our team of professional coaches, we can help you build your skills, tackle crisis-related challenges head-on, and achieve your professional goals. Every session is unique and every outcome is tailored to your needs.

#### EQ & Resiliency Mapping

Half-day virtual workshop for individuals or teams.

Develop and best use your emotional intelligence (EQ) and resiliency as a key to accessing that untapped potential in yourself and your teams.

#### Digital Governance Webinar Series

<https://bit.ly/IOGDigital>

We are hosting a free webinar series that brings together leading experts and policy makers to explore the critical digital governance issues that must be addressed in the months and years to come.
