### The IOG Difference

We believe in the value of personalized learning and going virtual doesn't stop us. All of our webinars are hosted live with experienced trainers who are there to:

Answer your questions

Help you with your specific challenges

Speak to their experiences

Connect you with a network of your peers

# Institute on Governance

# Webinar Series

## Schedule

Take advantage of our streams and choose the right webinar for you .....

### Policy Stream

A 3-part series for policy analysts looking to build their policy-making skills and analysis.

### Leadership Stream

Designed for leaders: explore topics like change, communication, digital skills, resilience and more.

### Government Essentials Stream

Building the skills you need to thrive in the Westminster system of government.

### Innovation Stream

Unpack innovative topics and techniques with a series that focuses on the changing 2020 workplace.

## Consider our Virtual Leadership Programs .....

### Virtual Executive Leadership Program - March 8th, 2021 - <http://bit.ly/IOG-VELP>

This unique 6-month program is for committed public sector leaders across all departments and levels of government who are being called upon to implement the “new normal” of the post-COVID-19 world.

### Leadership Development Program in Science and Innovation - March 23rd, 2021 - <http://bit.ly/IOG-LDPSI>

An intensive and all-encompassing 3-month program for those who work in and across science, innovation and policy and who aspire to lead.

### ELP in Municipal Intergovernmental Relations - June 2021 - <http://bit.ly/IOG-Municipal>

A 6-session, 1-month program for senior municipal public servants looking to understand and develop effective strategies in dealing with the federal and provincial governments.

### Digital Executive Leadership Program - February 1st, 2021 - <http://bit.ly/IOG-ELPdigi>

A week-long program for executives at all levels of government that explores key concepts such as design thinking, agile methods, digital technology, and data, and how they can be applied to the business of government.

### Stepping Into the Executive Cadre - February 3rd, 2021 - <https://bit.ly/IOG-Stepping>

Do you aspire to move into the executive category in the near future? The skills and competencies required as an executive are quite different from those at the EX minus 1 and 2 levels. The good news is these skills can be learned, and we cover them in this 9-month program.

Register and learn more by visiting our website at [bit.ly/IOG-Webinars](http://bit.ly/IOG-Webinars)

## Coaching Services

One-to-one virtual coaching sessions with experienced, highly skilled coaches.

With our team of professional coaches, we can help you build your skills, tackle crisis-related challenges head-on, and achieve your professional goals. Every session is unique and every outcome is tailored to your needs.

## EQ & Resiliency Mapping

Half-day virtual workshop for individuals or teams.

Develop and best use your emotional intelligence (EQ) and resiliency as a key to accessing that untapped potential in yourself and your teams.

## Policy Crunch

Free evening virtual speaker series. <https://bit.ly/PolicyCrunch>

Explore the themes of Disruption and Innovation each month in our professional, personal and political lives.
